PAINTS

As a trusted paint dealer, we offer a wide range of premium quality paints for both interior and exterior applications. Our paints come in a variety of colors and finishes, providing excellent coverage, long-lasting durability, and resistance to weather conditions.

CRUSHED STONE (GITTI) RIVER SANDS (RETI) & BRICKS

CRUSHED STONE (GITTI)

Crafted for strength and durability, our premium-grade Crushed Stone (Gitti) is an essential material for various construction projects. Ideal for road construction, foundations, and concrete applications, it provides excellent load-bearing capacity and stability. Available in multiple sizes, our Gitti meets the highest quality standards, ensuring a robust and long-lasting foundation for your projects.

RIVER SANDS (RETI)

Our premium River Sands (Reti) is perfect for high-quality construction and plastering work. Its fine texture ensures smooth finishes, making it ideal for concrete mixtures, masonry, and rendering applications. Sourced from trusted locations, our Reti is washed and graded to ensure optimal performance in all your building projects.

BRICKS

Our high-strength, durable bricks are designed to provide excellent structural support for any building project. Ideal for walls, foundations, and other construction applications, these bricks are crafted to ensure uniform size, superior quality, and long-lasting performance. Choose our bricks for a reliable and sturdy construction every time.
